

About Trimetis

Trimetis is an Austrian IT group established by experts with long-term experience in international companies. The group specializes in Consulting, IT-services as well as Expert-Sourcing. Among its clients there are the most recognizable brands from the Automotive and Financial industry.

Currently, we are looking for ambitious and motivated candidates for one of our clients from Silicon Valley to join our office in Lublin at a position as

iOS and Android Developer [f/m]

Some background information:

Together with our client we are building an exciting product that has a strong focus on bringing a consumer level UX to the enterprise world, delighting users and driving strong engagement. On the technology side, we are supporting this mission with state-of-the art approaches and a strong sense for creating innovation. Our apps and backend systems are very much data driven, be it Postgres/Kafka powered backends running on kubernetes, or feature-rich Web, iOS and Android apps, using unidirectional data-flow and immutable data-structures that support an eventual-consistent infrastructure.

We are looking for a mobile apps engineer to join our client's engineering team who is smart, curious and loves the challenge of solving problems. As an ideal candidate you have solid experience in either Android or iOS technologies and implementation of high quality products with a great passion to deliver excellent user experience.

Your opportunity:

- ❖ Work on a challenging problem that will transform the workplace
- ❖ Take a major role in our highly interactive and data-driven mobile apps that are written on a modern tech stack
- ❖ Work with a high performing team of passionate engineers to deliver outstanding enterprise products

Our requirements:

- ❖ Strong development experience in either iOS (Swift), Android (Java, Kotlin) or both
- ❖ Experience in development of data driven apps with libraries like Redux is beneficial

- ❖ Experience writing production ready code, preferably in a product based company
- ❖ Excellence at communicating ideas and collaborating in oral and written form with the team
- ❖ Readiness to dig into new and complex topics
- ❖ Target-oriented working-attitude
- ❖ Team-spirit and self-determination
- ❖ Good command of English

We offer:

- ❖ International clients with challenging projects
- ❖ Enthusiastic work atmosphere, good team-spirit
- ❖ Attractive and fair remuneration
- ❖ Private healthcare
- ❖ Business English lessons (during working hours)
- ❖ Integrational meetings
- ❖ Multisport card
- ❖ Fresh fruit in the office

Candidates willing to join us at the above position are kindly requested to send their CVs to: kariera@trimetis.eu with the following declaration:
