## About Trimetis

Trimetis is an international Consulting, IT-services and Sourcing Company. Established by senior experts with a long track record in large international consulting firms, the group is focused on delivering high-quality services for clients around the globe, with a special focus on Central and Eastern Europe. Our customers are global top brands across various industries, and we help them developing top products with latest technologies.

For our Client in **Łódź** we are looking for smart professionals in the field of:

### Junior Software Engineer C#, .NET

As a Junior Software Engineer, you will work with your team on the development of C#/.NET projects and applications with highest quality and commitment. You will have the opportunity to work with the newest technologies by following agile principles.

#### Your Tasks:

- ❖ Actively execute the development of our products
- ❖ Work on all parts of the software development process: requirements analysis, implementation, test, etc.
- ❖ Constant development of our product vision and customer specifications
- ❖ Continuous learning and contribution to improvements of our way of working

#### Our requirements

- ❖ Solid education in software engineering (e.g., university degree, etc.)
- ❖ First professional experience in software development
- ❖ Passion about object-oriented programming (C# or Java, SQL or XML)
- ❖ Reliability and strong quality awareness
- ❖ Team player motivated by achieving innovative results and a high solution orientation
- ❖ Work permit for Europe

#### What you can expect

- ❖ Exciting development of the industry's #1 Continuous Testing Platform
- ❖ A wide range of responsibilities and a variety of career opportunities

- ❖ Working in a state of the art Software Development Team
- ❖ Flexible working hours
- ❖ Extraordinary events for employees
- ❖ Attractive salary and variable compensation
- ❖ Private healthcare
- ❖ Job training
