About Trimetis

Trimetis is an international Consulting, IT-services and Sourcing Company. Established by senior experts with a long track record in large international consulting firms, the group is focused on delivering high-quality services for clients around the globe, with a special focus on Central and Eastern Europe. Our customers are global top brands across various industries, and we help them developing top products with latest technologies.

For our operations in **Lublin** or **remotely** we are looking for smart professionals in the field of:

Senior JavaScript Frontend Developer

Your tasks

- ❖ Development of solutions with a strong UI / UX focus using JavaScript
- ❖ Focus on drafting and implementing a distributed web application in close conjunction with the backend development team
- ❖ Close relationship with our inhouse UI / UX Design and Product Management team
- ❖ Knowledge transfer to other team members and guidance of Junior Developers

Your qualifications

- ❖ 3+ years working experience in JavaScript
- ❖ Working experience with a JavaScript framework, preferably React, Vue.js or Polymer
- ❖ 5+ working years as a software developer
- ❖ Working experience communicating with RESTful services and APIs
- ❖ Working experience in Angular and full stack development
- ❖ Preferably an interest in data visualization
- ❖ Good command of English language (spoken and written)

What you can expect from us

- ❖ Working at the cutting edge of Software Development
- ❖ International clients with challenging projects
- ❖ International software development teams with distributed delivery groups
- ❖ Favourable working atmosphere in an expanding company

- ❖ Attractive remuneration
- ❖ Flexible working hours
- ❖ Medical and sport benefits or adequate compensation for them
- ❖ Business English lessons
- ❖ Pizza days in our office in Lublin, Integrational meetings & events
