## About Trimetis

Trimetis is an international Consulting, IT-services and Sourcing Company. Established by senior experts with a long track record in large international consulting firms, the group is focused on delivering high-quality services for clients around the globe, with a special focus on Central and Eastern Europe. Our customers are global top brands across various industries, and we help them developing top products with latest technologies.

For our Client in **Łódź** we are looking for smart professionals in the field of:

## Software Quality Engineer

We are looking for a creative Software Quality Engineer who is proficient in the newest technologies and open-minded for trying new things. Our client's company culture is lively and possesses a truly agile environment, modeling the same DevOps principles they are using to revolutionize the future of software testing for their customers.

### Your role

- ❖ Lead and manage the creation, execution, and maintenance of automated software tests
- ❖ Create risk-based requirements and define/provide test data based on internal requirements
- ❖ Take responsibility for manual and exploratory testing of our market leading software
- ❖ Improve our existing software test methods, tools, and processes
- ❖ Interpret and report your test results by focusing on continuous quality improvement
- ❖ Contribution to all agile activities e.g., daily stand-up meetings, sprint plannings, etc.
- ❖ Close collaboration with our software developers, agile coach, and product owner

### Your skills

- ❖ Technical education and solid technical knowledge
- ❖ Ideally 2+ years of software testing experience
- ❖ Knowledge of C# and .NET is a plus
- ❖ ISTQB certificate is an advantage
- ❖ Strong analytical skills
- ❖ Motivated by achieving innovative results and providing high-end solutions
- ❖ Ability to assign appropriate priorities when managing workload

### **What you can expect**

- ❖ Joining a state-of-the-art Software Development Team
- ❖ Employment of contract
- ❖ Flexible working hours
- ❖ Attractive salary
- ❖ Professional & Personal Development
- ❖ Numerous events for employees
